Verkada Inc. (“**Verkada**”) develops and sells certain software, hardware, and modifications and derivative works thereof subject to heightened export control restrictions, including licensing and reporting requirements under the U.S. Export Administration Regulations (collectively, “**Heightened Export Controlled Products**”). Partner (identified in Section 1 below) elects to resell Heightened Export Controlled Products to the End-User (identified in Section 1 below). In compliance with applicable law, in particular the EAR documentary requirements under 15 C.F.R. § 740.20, Partner executes this Strategic Trade Authorization Prior Consignee Statement (“**Statement**”) to acknowledge regulatory restrictions imposed on Heightened Export Controlled Products.

1. Order and Product Details.

Partner Reseller	[Insert Partner Entity Name]
End-User	[Insert Customer Entity Name]
Installation Address(es)	[Insert Full Address, Country]
Product & ECCN	[CTB63 Dual-Spectrum Thermal Bullet Camera; 6A003.b4b]

2. STA Notice. Partner acknowledges that Heightened Export Controlled Products as described and with the ECCN identified above will be shipped pursuant to License Exception Strategic Trade Authorization (“**License Exception STA**”) under § 740.20 of the United States Export Administration Regulations (15 C.F.R. § 740.20).

3. Compliance. Partner represents and warrants the following:

- a. APR Limitation. For Heightened Export Controlled Products shipped pursuant to License Exception STA, Partner shall not subsequently export such products pursuant to paragraphs (a) or (b) of License Exception Additional Permissive Reexports (15 C.F.R. § 740.16(a) or (b)).

- b. Downstream STA Requirement. Partner shall obtain a consignee statement that complies with 15 C.F.R. § 740.20(d)(2) before using License Exception STA for any subsequent reexport or in-country transfer of Heightened Export Controlled Products received under License Exception STA.
- c. General Export Prohibitions. Partner shall not export, reexport, or transfer Heightened Export Controlled Products to any destination, end-use, or end-user prohibited by the United States Export Administration Regulations (15 C.F.R. Parts 730–774) including, (i) a person located or residing in or organized under the laws of of Crimea, Cuba, Iran, North Korea, Syria, the Donetsk People’s Republic, the Luhansk People’s Republic, Belarus or Russia; or (ii) a person who is: (A) listed on the U.S. Department of the Treasury’s Office of Foreign Assets Control’s (“**OFAC**”) List of Specially Designated Nationals, other OFAC lists, the U.S. Department of Commerce Denied Parties List, Entity List, Military End-User List, or Unverified List (see: <https://www.trade.gov/data-visualization/csl-search>), or equivalent lists; (B) any entity that is 50% or more owned or otherwise controlled by any of the foregoing; or (C) the government of, or any person owned or controlled by or acting on behalf of the government of the following countries: Cuba, Iran, North Korea or Venezuela.
- d. Export License Requirements. Partner acknowledges that the export, reexport, or in-country transfer of Heightened Export Controlled Products may be subject to licensing requirements under the U.S. Export Administration Regulations or other applicable export control laws. Partner agrees to obtain any required export licenses, permits, or other governmental authorizations prior to any such transfer, and to strictly comply with the terms and conditions of any such license or authorization.
- e. Recordkeeping and Audit Compliance. Partner shall retain on file and provide copies of this document and all other export, reexport, or transfer records (i.e., documents described in 15 C.F.R. Part 762) relevant to Heightened Export Controlled Products referenced herein to the U.S. Government upon request in accordance with 15 C.F.R. § 762.7.

f. End-Use Check. Partner agrees to permit a U.S. Government end-use check with respect to Heightened Export Controlled Products referenced herein.

4. Military Prohibition. Pursuant to Part 744.9 of the U.S. Export Administration Regulations, License Exception STA is not eligible for optical, thermal, or infrared imaging commodities (including ECCNs 6A002, 6A003, 0A504, or 8A002.d) if Heightened Export Controlled Products are intended for use by a military end-user outside of Country Group A:1, or if they are to be incorporated into a military commodity.

5. Disclosure. Verkada may provide a copy of this Statement to the U.S. Government or other competent authority upon request or as required by applicable law.

6. Signature Authority. The undersigned represents and warrants that they are an authorized representative of Partner with the legal authority to execute this Statement on Partner's behalf.
